EXPERTISE

Adobe Premiere Pro (*Expert*)

I possess extensive expertise in video editing using Premiere Pro and proficient in producing high-quality edits.

DaVinci Resolve (*Expert*)

In addition to my extensive experience in video editing with Premiere Pro, I'm highly proficient in using DaVinci Resolve and can produce exceptional edits with both platforms.

Blender (*Intermediate*)

With a considerable amount of experience in 3D modeling and animation, I'm proficient in using Blender, a popular software for creating complex 3D designs and animated visuals.
